**Filing of Small Entity Statement**

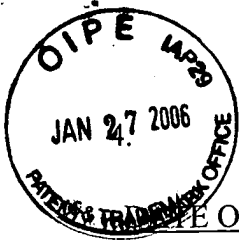

1. On or about May 15, 1992, and on or about March 9, 2000, small entity assertions were filed in this patent.
2. The assertion of small entity status in this application and the payment of fees as a small entity were made in good faith.

In an abundance of caution and to eliminate any possible concerns and/or potential allegations regarding the appropriateness of any issue and/or maintenance fee paid as a small entity, I am submitting this notification and payment detailed below.
